CONSTANT SCANNING SPEED

Commissioner for Patents Washington, DC 20231

Dear Sir:

## **INFORMATION DISCLOSURE STATEMENT**

In accordance with 37 CFR 1.51, 1.56, 1.97 and 1.98, Applicants hereby bring to the attention of the Office the patents, publications or other information listed on attached Form PTO 1449.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If it should be determined that the listed document does not constitute "prior art" under U.S. law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document should it be applied against the claims of the present application. It is respectfully requested that the reference be indicated as considered during the prosecution of the subject application. An action on the merits is solicited.

Respectfully submitted,

EIICHI HAYASHI ET AL.
